MOTION REQUESTING PERMISSION TO WITHDRAW AS LEGAL
REPRESENTATIVE OF APPLICANTS, FABIAN CLAUDIO OLEMBER and
VICENTE TASCA

To the Honorable Board:

Comes Now, Arturo Pérez-Guerrero, Attorney for Applicant in these proceedings,
and respectfully preys:

The undersigned respectfully requests to be allowed to withdraw as legal representative of applicant in this proceeding. The law firm that represents opposer is a client our firm in connection with unrelated yet ongoing Puerto Rico trademark matters. While this is not a classic conflict of interest scenario, clearly, it places the undersigned in a compromising position with respect to both applicant and opposer's law firm, which as indicated, is a client of the undersigned's firm in connection with ongoing trademark matters not related to the present case.

In these circumstances, the undersigned is incapable from effectively representing applicants in this proceeding. Hence, in compliance with the Puerto Rico Attorneys Code of Ethics, to which the undersigned's professional conduct must abide, the undersigned

must withdraw as counsel for applicants. Furthermore, in order that applicants may have the best representation possible, it is in their best interest to retain another attorney to represent them in this case.

Fabian Claudio Olember and Vicente Tasca have been notified of the undersigned's decision to withdraw as their legal representative in this proceeding. Counsel for opposer has also been notified by facsimile and regular mail. All documents and property concerning this proceeding have been handed over to applicant and no advance fee has been charged by the undersigned in connection with this matter.

The undersigned requests that applicant be given an extension of time to answer the opposition, given it must hire another attorney to assist them with this matter.

Wherefore, the undersigned respectfully requests permission to withdraw as legal representative of Fabian Claudio Olember and Vicente Tasca in this proceeding.

Respectfully submitted.
